OCEANIA AURELIA AROUND THE WORLD

GLOBAL TRAVEL *illuminated*

There are journeys that circle the globe - and then there are journeys that change the way you see it. In 2028 and 2029, our newest ship, *Oceania Aurelia*, will embark on two Around the World voyages created for travellers who seek depth over distance and perspective over pace.

Intimate by design and yet generous in space, *Oceania Aurelia* feels naturally suited to tracing the globe. Hosting fewer than 500 guests and nearly as many crew, life on board unfolds with a sense of true ease and grace. During six remarkable months, destinations across the South Pacific, Australia, Asia and Europe emerge in measured sequence, given the space to reveal their character and lingering long after departure. This is travel unhurried. Immersive. Shaped by genuine connection.

This is journeying around the world, aboard *Oceania Aurelia*.

DESIGNED FOR WORLD TRAVELLERS

the ULTIMATE EXPLORER

If one were to imagine the ideal ship for exploring the world, where would the journey begin? With the travellers themselves. So we asked our guests - seasoned voyagers who understand that time at sea is as meaningful as the destinations beyond it.

The result is *Oceania Aurelia*, our newest ship. An intimate vessel designed for fewer than 500 guests, where extraordinary space, intentional design and a club-like sense of community come together naturally - shaped by the openness and experiential richness of our newest ships and the warmth of a boutique hotel at sea. A ship created not simply to circle the globe, but to experience it fully.

Oceania Aurelia offers a rare sense of belonging at sea. After days spent following your curiosity wherever it leads, returning to *Oceania Aurelia* feels like a restorative retreat. Light-filled lounges invite conversation and reflection. Suites become private havens for rest and relaxation. Every detail has been tailored for the long horizon, where comfort endures, hospitality feels warmly familiar and life on board becomes second nature. Here, the ship herself becomes part of the journey - a sanctuary from which the world can be explored at leisure.

EVENING ENTERTAINMENT

THE NIGHT *comes alive*

As the sun slips below the horizon, *Oceania Aurelia* reveals a new dimension. Every evening, the Aurelia Lounge hosts inventive production shows, live music and engaging guest entertainers in a setting that invites you to settle in and stay awhile. A comedian one night, a vocalist the next – each performance brings a different energy to the journey. You might gather on deck for a relaxed celebration, enjoy a pre-dinner string duo or find yourself singing along with a charismatic pianist in Martinis. For those drawn to a livelier pace, the Monte Carlo-inspired casino offers its own allure. Whatever the evening brings, the ship's atmosphere makes it easy to linger and enjoy the moment as you circle the globe.

PRODUCTION SHOWS

Created in collaboration with an accomplished ensemble of performers and creatives, our latest production shows reflect a modern approach to musical entertainment. Whether inspired by iconic artists or shaped around expressive choreography, each show is delivered with sophistication and style.

THE FINEST CUISINE AT SEA®

THE WORLD *on your plate*

On *Oceania Aurelia*, the table becomes another way to see the world. Alongside time-honoured classics, menus reflect the regions you explore, shaped by the ingredients, techniques and traditions that define them. Executive Culinary Directors and Master Chefs of France Alexis Quaretti and Eric Barale, together with culinary legend Jacques Pépin, lend their vision and experience to every restaurant on board. From the enduring dishes of Toscana and Polo Grill to the globally inspired creations at The Grand Dining Room and Terrace Café, each meal offers its own sense of place. Throughout the voyage, we devote certain evenings to the flavours of a region you've come to know. The layered spices of India, the bright coastal fare of Greece or perhaps the unique character of Indonesian specialities are presented with care, creating occasions that feel rooted to where you are in the world. As days turn to weeks, the table becomes a touchstone - a time and place you anticipate as much as the destinations themselves.

The Grand Dining Room

Toscana

THE GRAND DINING ROOM

The Grand Dining Room anchors our culinary offerings - a place where guests can enjoy thoughtful menus in an elegant, welcoming setting. Here, classic creations from Jacques Pépin meet local inspirations and timeless comfort food. The daily changing menu and new food and wine pairings, featuring chef-crafted courses and selections from California to France, keep dining fresh and engaging. Options like Aquamar Vitality Cuisine and global cuisine add further variety, making every meal unique and personal.

POLO GRILL

Polo Grill offers the warmth of a classic American steakhouse, with rich woodwork and welcoming interiors. While steak takes centre stage, tempting seafood dishes like Maine lobster gratinée are equally celebrated. Each cut of beef is carefully selected and aged, promising a depth of flavour that's quietly gratifying - a perfect choice for marking special moments at sea.

TOSCANA

Toscana is our homage to the Italian tradition of family and food, with recipes passed down through generations. Dishes such as osso buco, minestrone and carbonara invite you to linger and savour, each plate echoing the generosity and flavour of an Italian home.

TERRACE CAFÉ

Dine under the open sky at Terrace Café, where the ocean stretches before you and the menu offers an abundance of options - from regionally inspired dishes to freshly made pastas, tapas and sushi. Here, meals unfold easily, a glass of wine in hand and conversation flowing with the sea breeze.

WAVES GRILL

Poolside relaxation finds its companion at Waves Grill, offering playful ice cream flavours, classic milkshakes and satisfying sandwiches and burgers. Whether you indulge in a signature surf & turf burger or a creamy milkshake, it's casual dining meant to delight.

The Pizzeria at Waves Grill

The Pizzeria, the after-hours transformation of Waves Grill, serves up authentic pizzas and Mediterranean-inspired bites al fresco. It's an inviting start to the evening, where simple pleasures and good company set the tone.

BARISTAS

Baristas celebrates coffee culture with expertly brewed illy® espresso drinks and light bites. It's a quiet corner for reflection or lively conversation, where every cup is an invitation to slow down and savour the moment.

Crêperie

On board *Oceania Aurelia*, the Crêperie serves fresh crêpes, waffles and gelato sundaes with a variety of toppings - a charming afternoon escape that feels both familiar and special.

Bakery

The Bakery fills the air with the aroma of freshly baked pastries, delicate croissants and European specialities, warm from the oven - a small indulgence to enjoy alongside your morning coffee or afternoon cappuccino.

AFTERNOON TEA

Afternoon tea is a cherished tradition, set against panoramic views and accompanied by live music. Elegant pastries are presented by attentive servers, creating a scene that is both inviting and quietly celebratory - a moment to pause and reflect on the pleasures of travelling well.

MIXOLOGY & COCKTAIL EXPERIENCES

THE ART *of the pour*

A voyage aboard *Oceania Aurelia* is complemented by cocktails crafted with the same care and creativity as The Finest Cuisine at Sea®. Guests can discover artfully composed drinks and engaging mixology experiences throughout the ship. From classic Negronis aged in wooden barrels to inventive zero-proof cocktails and speciality beverage carts like The Ultimate Bloody Mary Bar, each offering is prepared with skill and contemporary flair. Low- and no-sugar wines, flavourful spirits and refreshing cocktails ensure every preference is considered. Watching a bartender smoke an Old Fashioned or prepare a Manhattan transforms a beverage into a memorable moment of the day.

FOUNDERS BAR

A refined gathering place, Founders Bar is where classic cocktails meet inventive presentation. Enjoy an aged bourbon, a barrel-aged Negroni or a signature cocktail gracefully prepared, each reflecting an appreciation for craftsmanship, tradition and the pleasure of a perfectly balanced drink.

MARTINIS

Martinis is more than a lounge – it's a welcoming, sophisticated setting where signature cocktails and a curated spirits selection reflect the elegance of Old Hollywood, inviting you to settle in, sip slowly and enjoy the timeless ritual of an evening well spent.

HORIZONS

The most distinctive feature of aptly named Horizons is the lounge's dramatic floor-to-ceiling windows, offering sweeping views that hint at the adventures to come. Here, speciality coffees are served at Baristas by day, while signature cocktails and well-chosen wines become part of the view each evening when it becomes Horizons Bar.

AROUND THE WORLD 2028 & 2029

CIRCUMNAVIGATIONS *with perspective*

To sail around the world is to experience the planet in full – oceans and continents unfolding over months rather than moments. *Oceania Aurelia* makes her debut with two exceptional circumnavigations in 2028 and 2029 – voyages designed for travellers wishing to experience the world with depth, perspective and time. Across both journeys, the rhythm of the sea sets the stage: tranquil mornings on lagoons, sunlit city explorations, evenings spent discovering the flavours, music and stories of distant cultures. The far reaches of the Pacific, the icons of Asia, the ancient landscapes of the Arabian Peninsula, the coastal villages of the Mediterranean... every day reveals a new layer of the world's richness.

Bora Bora

A NEW DAWN

The initial circumnavigation begins with a passage through the Panama Canal, opening the gateway to the Pacific. From the islands of Hawaii and French Polynesia and the shores of Australia to extended discoveries across Japan and Southeast Asia, the journey traces a path across cultures shaped by the sea. India and the Arabian Peninsula follow, leading to the historic shores of the Mediterranean. The final weeks emerge in destinations across Southern Europe before a transatlantic crossing returns *Oceania Aurelia* to New York.

THE LONG HORIZON

The 2029 itinerary follows another carefully curated route, beginning along the Pacific coast of the Americas before venturing to the remote beauty of Easter Island and the volcanic landscapes of French Polynesia. Following time in New Zealand and Australia, the voyage continues to adventures across Southeast Asia, followed by calls on India and the Arabian Peninsula. The voyage then lingers along the shores of the Mediterranean and Western Europe, heading as far north as the British Isles, before concluding in New York.

OPTIONAL MID-CRUISE OVERLAND PROGRAMMES

WORLD WONDERS *in depth*

Some of the world's most compelling places lie just beyond the shoreline. On our Around the World voyages, select Mid-Cruise Overland Programmes encourage you to venture farther inland, spending several days exploring hand-picked destinations before rejoining the ship along her route. These immersive journeys may lead to sites such as Machu Picchu in Peru, the ancient city of Petra in Jordan or India's Taj Mahal. Other experiences reveal protected natural wonders: Komodo National Park, Rapa Nui on Easter Island, The Great Barrier Reef. In addition, about one hundred UNESCO World Heritage sites are within reach of ports visited on each voyage, offering opportunities to encounter some of the world's most significant cultural and natural treasures.

Optional

MID-CRUISE OVERLAND PROGRAMMES

As the 2028 - 2029 Overland Programmes are currently being designed to offer you immersive adventures around the world, here is a selection of Mid-Cruise Overland Programmes emblematic of the dozens of uniquely curated experiences that will be offered.

AUSTRALIA

The Great Barrier Reef & Rainforest

Escape to a luxury lodge in the heart of the world's oldest living rainforest, just inland from the waters that blanket the world's largest barrier reef. Explore from the rugged gorges and cascading waterfalls of Daintree Rainforest to the wonders of the Great Barrier Reef underneath the sea, all of which are protected as treasured UNESCO World Heritage sites. After exploring, return to your lodge's peaceful oasis and cool off with a plunge into the Mossman River, believed to have healing powers.

CAMBODIA

Discover Angkor Wat

Obscured by dense vegetation for centuries, the glorious temples of Angkor comprise one of the world's largest religious monuments. The most famous is the enormous UNESCO-protected Angkor Wat, where soaring walls are adorned in elaborate carvings. You will also spend time at the magnificent ancient capital of Angkor Thom, home to the renowned Bayon Temple, which has 54 towers adorned with several enormous smiling faces of Avalokiteshvara, the bodhisattva of compassion.

ECUADOR

Wild Wonders of the Galápagos

Delve into a true journey of discovery with a three-night stay in the Galápagos Islands, an open-air wildlife museum that stirs the explorer within everyone. The archipelago, located about 965 km west of mainland Ecuador, is home to an astonishing variety of endemic species – enough to inspire a theory that would change the world – and proves an irresistible destination for adventurers and nature-lovers to this day.

INDIA

Taj Mahal: The Eternal Masterpiece

One of the best-known structures in the world, Agra's fabled Taj Mahal will awe your senses and capture your heart. Considered to be the finest example of Mughal architecture, the Taj Mahal is a glistening mass of white marble and semiprecious stones set amid impeccably landscaped grounds. Witness how the sunlight alters the hues of this magnificent mausoleum, and enjoy the opportunity to observe other icons of Mughal architecture and culture as well.

INDONESIA

Borobudur's Legacy

Explore the best of Yogyakarta and beyond and come away with a remarkable understanding of Central Java. Join an acclaimed local adventurer for an elaborate meal known as a rijsttafel. Watch an artisan forge a kris, an asymmetrical dagger so emblematic that UNESCO has recognised its cultural importance. Spend a full day exploring the UNESCO World Heritage site of Borobudur - the world's largest Buddhist temple - and visiting the 9th-century Hindu temple compound of Prambanan. These and other experiences will leave lasting memories.

JAPAN

Nagasaki & Beyond

Explore Nagasaki's notable landmarks before venturing out to better get to know the island of Kyushu. The sometimes beautiful, sometimes devastating influence of Western civilisation on Japan is evident in the open-air museum of Glover Garden, the Gothic architecture of Oura Cathedral and the sombre monuments of Nagasaki Peace Park. Eastern culture is revealed in the torii gates of Yutoku Inari Shrine, the bustling Yobuko Morning Market, and the rice terraces and tea plantations in the countryside.

SPAIN

Spanish Splendours

Discover the rich heritage of Spain's inland cities through their UNESCO World Heritage sites, including the remarkable Gothic architecture of the 13th-century Burgos Cathedral, the impressive galleries and arcades of the Old City of Salamanca, and the well-preserved remains of an ancient Roman capital in Mérida. Come into the present day with a tour of the striking Guggenheim Museum of Bilbao, designed by renowned architect Frank Gehry, and enjoy a tasting of the region's wines at a local vineyard.

UNITED STATES

Hawaii's Natural Wonders

Discover the wonders of the gorgeous Big Island by exploring Hawaii Volcanoes National Park, home to two of the world's most active volcanoes. The dormant volcano of Mauna Kea is the tallest mountain in the world when measured from its base on the ocean floor to its peak offering spectacular stargazing opportunities from the observatory at its summit. You'll also explore the mist-shrouded Rainbow Falls and enjoy a traditional luau performance.

GRAND VOYAGES
early release

A WIDER WORLD

For those drawn to travel in longer arcs, *Oceania Aurelia's* Grand Voyages explore entire regions in a single, flowing passage. Harbours. Coasts. Islands. Countries. These elements come together on a multi-month Nordic and Baltic Sea route, tracing a broad sweep of northern waters and ports. Embarking once more, a second Grand Voyage spans the Americas, linking the Caribbean, South America and the Pacific in a series of passages defined by distance, time and a deeper rhythm of travel.

SAILINGS

WHERE IT BEGINS

Oceania Aurelia's inaugural sailings begin among the sunlit coasts of the Mediterranean, tracing a relaxed sequence of journeys across Italy, Croatia, Greece, Turkey and beyond before crossing the Atlantic and continuing to Canada, New England and Bermuda. These early voyages offer a first glimpse of life on board as she sets out on her world travels - days unfolding between historic harbours and open sea, with the sense of discovery that belongs to a ship in her earliest chapter.
